

Line installation Management

Dear Customer,

Please follow the steps to open & install a New France telecom line.

We can manage every aspect of your line activation with France Telecom FREE of charge.

We make sure costs are kept to the minimum and engineers work is properly managed.

All we need is:

Your Last & First Name	
Date of birth	
Place of birth	
Occupation	
Your French & UK mobile phone	
Current property type	House Flat
Is it a newly built property?	
Desired activation date ?	
Old telephone line (if no blank)	
Name of previous owner of the house who had a line connected	
Address to install the new line	
Address to install the new line	
Postal code & City	
RIB information (Relevé d'identité Bancaire)	

France Telecom charges 55€ for installing the line

There will be an extra 69€ for France telecom's technician if no traceable previous connection was found.

Please provide us if possible any number we can contact you.

Thank you
